About Us

At **Greenwin Electric Private Limited**, we are dedicated to marketing high-quality electric two-wheelers for both domestic and international markets. Aligned with the "Make in India" initiative, we ensure all our products are locally manufactured, guaranteeing superior quality with no imported components.

Our Mission

Our Mission is to redefine last-mile logistics through cutting-edge, sustainable solutions that enhance efficiency and safety. By pioneering the decarbonization of delivery systems, we aim to set a new standard for eco-friendly mobility.

Our Vision

To become a comprehensive solution provider in surface preparation and finishing, satisfying customer expectations globally while preserving the environment.

About Logo

Rationale

The **"Green Win"** logo, with its integration of the **letters "G" and "W," the thunder symbol, and the speedometer element, effectively communicates the company's identity and mission.** It represents the company's focus on marketing high-performance, eco-friendly electric vehicles across a wide geographical area, its commitment to sustainability, and its vision for a greener, more connected future. This cohesive design not only distinguishes the brand but also resonates with its values and market positioning.
