PROFESSIONAL EXPERIENCE

Senior Visualizer

Sep 2024 – Present

Deloitte Digital | www.deloitte.com

- Design digital campaigns, presentations, and marketing collateral for 8+ enterprise clients per quarter, and deliver 20+ creative assets per month within tight turnaround windows.
- Built reusable UI and brand-asset systems adopted across teams, cutting revision cycles by roughly 25% and improving design consistency.
- Introduced AI-assisted tools (Figma AI, Adobe Firefly, Midjourney) into the workflow, speeding up concept-to-first-draft time by around 30%.

Senior Graphic Designer

Jan 2024 – Sep 2024

Pixel Studios | www.pixel-studios.com

- Created branding and digital communication materials for 10+ clients, contributing to 5+ successful campaign launches.
- Consistently delivered on 4–6 concurrent projects within fast-paced client timelines.

Production Artist

May 2022 – Dec 2023

RR Donnelley | www.rrd.com

- Produced print-ready artwork for global clients with 100% accuracy against brand and print specifications across 500+ deliverables.
- Optimized production files and QA steps, cutting rework/reprint errors by roughly 20%.

Graphic/UI Designer

Dec 2019 – May 2022

Oriens Global Marketing Pvt. Ltd. | www.oriensworld.com

- Designed websites, UI layouts, and branding materials for 15+ clients, supporting web and marketing launches.
- Partnered closely with developers to translate designs into working interfaces, reducing handoff revisions.
