Professional Experience

Sep 2024 – Present

Senior Visualizer
Deloitte Digital

- Design digital campaigns, presentations, and collateral for 5+ enterprise clients per quarter, delivering 20+ assets a month on tight turnaround.
- Built reusable UI and brand-asset systems adopted across teams, cutting revision cycles by roughly 25%.
- Introduced AI-assisted tools (Figma AI, Adobe Firefly, Midjourney), speeding up concept-to-first-draft time by around 30%.

Jan 2024 – Sep 2024

Senior Graphic Designer
Pixel Studios

- Created branding and digital communication materials for 10+ clients, contributing to 5+ campaign launches.
- Managed 4-6 concurrent projects within fast-paced client timelines.

May 2022 – Dec 2023

Production Artist
RR Donnelley

- Produced print-ready artwork for global clients across 500+ deliverables with 100% accuracy against brand and print specifications.
- Improved production files and QA steps, cutting rework and reprint errors by roughly 20%.

Dec 2019 – May 2022

Graphic/UI Designer
Oriens Global Marketing Pvt. Ltd.

- Designed websites, UI layouts, and branding materials for 5+ brands, supporting web and marketing launches.
- Partnered closely with developers to translate designs into working interfaces, reducing handoff revisions.
